Lisbon, 28.05.2014

Head of Department: **Miguel Morgado**

A RINA, REGISTRO INTERNACIONAL NAVAL não assume qualquer responsabilidade pelas perdas ou danos originados pelos seus órgãos, funcionários ou outros agindo em nome da Sociedade, mesmo que por ela nomeados e independentemente da sua actuação ter sido intencional ou negligente e que a perda ou dano tenha afectado a companhia armadora, o estaleiro naval ou outros que tenham pedido a assistência da Sociedade ou ainda terceiros que, embora não tenham qualquer relação contratual com a Sociedade, tenham agido ou efectuado acordos na base de decisões tomadas ou informações dadas por ou em nome da Sociedade. Idênticamente nas situações anteriormente citadas, nunca poderão ser considerados responsáveis o indivíduo ou indivíduos pessoalmente causadores de perdas e danos.

RINA, REGISTRO INTERNACIONAL NAVAL has no liability for loss or damage caused by its organs, officers, employees or others who act under assignment by the Institution, regardless of whether such person has acted intentionally or negligently and irrespective of whether the loss or damage has affected a shipowning company or a shipyard or others who have requested the Institution's assistance, or any third party who without having any contractual relations with the Institution has acted or made arrangements in reliance on decisions made or information given by or on behalf of the Institution. Nor in cases as mentioned in the preceeding paragraph, can the individual or individuals who have personally caused the loss or damage be held liable.
